

**Infant Development Association of California
Southern California Regional Conference**

Effective Collaboration: Together We Are Unstoppable

**Session Description
Friday, March 3, 2017
1:30 – 3:00 pm**

Setting the Foundations of Healthy Social-Emotional and Developmental Pathways For Ages Zero-Five

This training will explore the critical foundations of infant and toddler social and emotional development, and assist participants in understanding what “healthy” social and emotional development looks like for little ones. Training will touch brain development and provide strategies and resources for working with our infants, toddlers, and preschoolers.

Cheryl Goldberg-Diaz, LCSW, Program Manger, Desert/Mountain Children’s Center

Cheryl Goldberg-Diaz, LCSW Program Manager has 28 years’ experience as a Licensed Clinical Social Worker. Her experience has focused on working with children and families in a variety of settings such as residential care; foster care, adoptions, clinic and school based settings. Over the past 15 years Cheryl has working with the Desert/Mountain Children’s Center, providing clinical supervision, training, program development and implementation.
