

**Due to the COVID epidemic and with your safety in mind, we have come up safety protocols for ongoing home sessions. We appreciate your patience and collaboration.**

**Before the Developmental session begins, we must:**

Complete the “Brief Questionnaire”

Take our temperatures

**ONCE CLEAR, The Developmental session can continue ONLY if:**

We wash our hands FIRST

We complete the session outdoors

We keep our mask on at ALL times

We complete the session 6 feet apart with mask (12 feet apart no mask)

We all wash our hands at the END of the session
