Panel will address through lecture, conversation, and sharing in small groups:

Impacts on our young children who might have special needs.

Options for making things work for families and their children.

What are the laws and regulations for Early Start and ECE programs?

What can be done prior to suspensions and or expulsions?

Research questions, studies, and resources.

Presenters (Partial listing):

Annie Cox, MA, Director, CHIME, Early Education Program

Dr. Nancy Hunt, PhD., California Leadership Education in Neurodevelopmental Disabilities,

Children's Hospital Los Angeles

Dean Tagawa, Ed.D., Executive Coordinator, Los Angeles USD, Early Childhood Education Division
